

Asking God for more
Joshua 17
January 17th, 2016

1. What did you notice about the sermon today?
2. Have you recognized what gifts God has given you? What gifts do you have? Are there gifts that God has given you that you have not appreciated? (See also James 1:17).
3. What are gifts that you have seen in others that you have valued highly? Do you see any reasons that God has not given you these gifts as well?
4. What would you like to ask God for? What do you need to work for?
5. How is asking God to enlarge your territory different from a health and prosperity gospel? What do you believe are some of the dangers of the prosperity gospel?
6. 1 Thessalonians 5:18 says that it is God's will for us to give thanks in every circumstance. We always want to foster gratitude in our hearts for God. What are some ways you can give him thanks today? Spend some time as a group giving thanks to God for the gifts that He has given. Is there anything that you've never thanked God for?
