

Jesus As Priest

Hebrews 7:20-28

Sermon Discussion Questions | May 14, 2017

1. This week we were blessed to have Pastor Artie Lindsey from Tabernacle Community Church share a message with us. His message was about Jesus as our Priest but he started by having us look at Genesis 14:18-20 and Psalm 110:4. Re-read those passages and recall why he started there.
2. Pastor Artie shared with us that Jesus is worth following, for many reasons, but he focused on three this morning. Have someone read Numbers 20:25-26 and discuss what one of the reasons is Jesus is worth following.
3. So we see that Jesus' priesthood is permanent and therefore worth following. How should this truth encourage a believer's faith? How can it be an encouragement to you?
4. Pastor Artie also commented that Jesus is worth following because His priesthood is powerful. In what ways is Jesus' ministry and priesthood powerful? Have the group share some biblical examples and maybe even examples from their own lives.
5. Pastor Artie's last point was that Jesus is worth following because his priesthood is perfect. Re-read Luke 1:35 and discuss what this means. How does it measure you in your faith? What could it mean for someone struggling to trust Jesus and follow Him?
6. All of us at times may struggle with following Jesus. We also have people in our lives that haven't made the decision to trust and follow Him. To close, spend sometime sharing what some of your struggles are in following Jesus daily. Listen to each other, encourage each other and spend sometime praying for each other and for those that don't know the Lord as Savior yet.
