Calvary Kids

Young Fives-4th Grade | 11:00am | Hoogenboom Rec Center

S.S. Adventure is Calvary Kids' Sunday morning program focusing on the thrill of discovering God's Truth. Children embark upon their journey Sunday mornings building relationships with a number of their peers and leaders during small group time before coming together to worship Jesus and receive an energetic presentation of the week's Bible story at Large Group Adventure. After Large Group, children return to their small groups to rotate through various activity stations which reinforce the day's lesson or teach Bible Navigation Skills.

Special children's activities, included on the back of the sermon notes, aid children in following along with the sermon. Pencils are available at Arena entrances.

Special accommodations can be made for children with special needs. New to Calvary? Contact calvarykids@calvarygr.org so we can get to know you and your family.
