

A file on your device is worth two in the cloud.

Better snail mail than never

Never judge an app by its icon

Keep your friends close, and your Facebook friends closer.

A reboot a day, keeps the crash log at bay.

Google wasn't built in a day.

Headphones are golden.

No news website is a good news website

Waiting for a pageload is a virtue.

Never put all your data into one hard drive.

The world has a lot to tell us about technology.

But what does God say?

Does the Bible have anything to teach us in this area?
THE ANSWER IS YES!

Join us for a five-week series when we will seek to **REWIRE** our lives to God's truth.
