OVERTIME: We have designed extra community-building time each Sunday at the conclusion of UNITED. Twice a month, we have organized exciting events (details on reverse). On nights without a pre-planned *Overtime* event, you can hang out in 208 for open gym & other activities until 8:30pm.

TEACHING SERIES: Each of us has or will experience brokenness on some level in this life. What do we do when we recognize that some aspect of our identity – our hopes or our desires – is in *ruins*? How does Christ heal and *restore* us to a state of profound joy and blessing in Him? Come find out!

RUINS RESTORED

OVERTIME

This summer, each of our Overtime events will be thematically tied to one of the four “classical elements,” which several ancient cultures and religions believed made up the cornerstones of creation, but which we know were created by Christ to uniquely reveal his power and wisdom. Each month will contain one *Overtime* event plainly advertised, and one mystery event shrouded in *the element of surprise...* will you be able to unravel the mystery events and earn a reward before they begin?

During the summer, our Halftime topics will center on the “Tough Questions” of our faith. You will be equipped with the tools you need to find answers to hard questions, right in the Bible.
