Sermon Discussion Questions

August 4, 2019

1. Often during our Sunday gathering the Lord connects with each individual differently (through songs, connections with events from the week prior, the teaching, meeting someone new, a verse or passage, etc). What was the way the Lord connected with you this past week?
2. What in this Sunday's message connected with you most deeply? What were some of the things you are still considering from this message?
3. Throughout the teaching, Pastor Tom suggests that we should have a heavenly or eternal focus, while recognizing that this can be a challenge. What would be some ways that we can continue to practice a heavenly focus? What could that look like in our gatherings together and within our local community?
4. Which aspect of heaven did you find most appealing? What was the most challenging for you?
5. Revelation 21:1-4 is a passage that speaks about this new true reality that has already been declared but not yet fully here. What are some words or phrases from this passage that speak to you in your current situation?
6. What's one step that you can take to turn from a focus on the matters of this earth to a more heavenly mindset?
