Nursery Facts:

- ☀️ **A family restroom** with a changing table is located just past the infant nursery.
- ☀️ **A nursing moms room**, with privacy curtains, rocking chairs, and a monitor to watch the service, is located just before the nursery.
- ☀️ **Security:** At check-in, every parent is given a card with a number on it (also written on the check-in sheet). If we need a parent, his or her number will be displayed in the sanctuary. Also, the same card will need to be given to the nursery worker to check out your child. If you will be attending a class, you will be given a pager.
- ☀️ There is a **ratio of 1 adult** for every two children in the Bunnies nursery (birth-11 months).
- ☀️ **Health:** We do not allow any children into our nursery/classrooms if they have had a fever within 24 hours or have a green, runny nose.
- ☀️ **Allergy Policy:** To protect our children with allergies, we only allow cheerios and water in the nursery area classrooms. Formula and breast milk are allowed in the Bunnies nursery.
