Nursery Facts:

- ☀️ **A family restroom** with a changing table is located near the check-in area.
- ☀️ **A nursing moms room**, with rocking chairs, and a monitor to watch the service, is located in room 134.
- ☀️ **Security:** At check-in, every child will receive three nametags - one to wear, one for checkin into the classroom and one for the parent(s) to keep as a claim tag. On the tag will be a number that will be displayed in the Sanctuary, if your child needs you. If you will be attending a class, you may request a pager.
- ☀️ There is a **ratio of 1 adult** for every two children in the Bunnies nursery (birth-11 months).
- ☀️ **Health:** We do not allow any children into our nursery/classrooms if they have had a fever within 24 hours or have a green, runny nose.
- ☀️ **Allergy Policy:** To protect our children with allergies, we only allow cheerios and water in the nursery area classrooms. Formula and breast milk are allowed in the Bunnies nursery and Kittens.
